**Description:**

Town house with two floors with a plot. The house has two floors, the bottom floor being gloomy, with nothing, and the upper floor would be divided into a kitchen, living room, 4 bedrooms and a bathroom, with a small access to the ground floor. The house is quite good removing some small detail. The plot is quite good, having room for some stables for animals and a garage. It is very well connected since the link with the highway is less than 5 minutes away, take advantage of this opportunity and get a little house in the town with its tax benefits. We look for you the best financing.
